9. [REDACTED] WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

I arrived to Abu Ghraib on 5 December 2003. I have never witnessed and physical abuse in Abu Ghraib. I have seen and heard a lot of yelling and screaming during in-processing. The detainees are yelled at to move faster. These were the MPs not the interrogators. I have never observed dogs being used to threaten a detainee. I never heard any MI tell any MP to "soften-up" a detainee. I never witnesses or heard of any detainee being humiliated or made to wear any women underwear. What I know is what [REDACTED] has told me. There were two sisters [REDACTED] and I do not remember the sister. One of the ladies told me that they had been taken to Al Azimiyah Palace. She said that [REDACTED] an Iraqi Police captured her. He would beat them up and threaten them with their children. [REDACTED] sexually abused the other younger brother who is handicap. He could not sit and was bleeding from the rectum. The boy was crying because he was sexually abuse with a stick up his rectum. [REDACTED] took her older brother outside and beat him until he passed out. They brought him naked and threw him at me. They said he was dead. [REDACTED] send a message with those captured that he was going to clean up Iraq. [REDACTED] was an Iraqi officer who was promoted for doing a good job. There was one detainee who said [REDACTED] got him and told him that if he wanted to see his wife and children, he had to pay some money to him. His wife delivered the money but he never saw her. One interpreter [REDACTED] was present when he was naked and given a cold shower. He was placed on sleep patterns and was forced to be naked. He did not remember receiving any training. The training we received was nothing in the classroom environment. I felt confident on information we received on dealing with detainees. We didn't get any information on what was acceptable and not acceptable until later on when I was there for a while. In January we finally got a policy. I basically have two individuals I report to. On the administrative, [REDACTED] (CACI) is my immediate supervisor and in the military side it is [REDACTED]

Q. Is there anything else you would like to add to this statement?
